A rare opportunity to secure Medium Density Residential land in a well-connected location between central George Town and Grand Harbour. With approximately 160 ft. of main road frontage, the property offers both scale and accessibility. Comprised of three individual parcels: 20D62 – 2.25 acres 20D61 – 0.30 acres 20D58 – 0.50 acres With an existing residence on site, the combined acreage and separate parcels offer flexibility for large-scale or phased residential development. Easy access to George Town's business district, schools, shopping and major road networks makes this a desirable location for future residents. Location, scale and favorable zoning – a compelling combination. Now is your chance to secure land in an ideal setting with lasting appeal. Call today to explore the full potential of this property.
