The Lilly residence features two well-situated, private bedrooms and two bathrooms. The floor plan ergonomically separates the living room, kitchen and dining area from the bedrooms, offering some seclusion. The kitchen expanse is relatively large and features a center island. The kitchen is accented with granite counter-tops, solid wood cabinets and Whirlpool stainless steel appliances. The master bedroom boasts a large deep sliding closet and an en suite, private bathroom. The guest bedroom is spacious and features a deep sliding closet, and an en suite guest bathroom that can also be accessed through the walkway. The Lilly interior is handsomely finished with ceramic tiling, door trims, and baseboards. Equally as impressively finished is the exterior with Marmoran decorative finishes and a covered entry-way.
