Recently renovated, Gypsy Kai now features top-of-the-line fixtures and finishes across four bedrooms and bathrooms. Enter into bright, white living spaces and a sitting room with wall-to-wall glass doors that open to an oceanfront pool deck. The beach chic decor mixes pops of blue and green with island-themed patterns further ensuring you are in the tropics. The new kitchen, with white cabinets and stainless steel appliances, allows people to gather and enjoy each other's company while peeking out to the Caribbean Sea through lush sea grape trees surrounding the pool. Outside, there is ample seating for everyone to find a spot in the sun around the pool, on the beach, or a hammock under the palms. Pristine white sand will invite you to snorkel and swim in the warm, reef-protected, turquoise waters. Gypsy can easily be used as a family home or destination rental and offers privacy along the north coast amongst the elevated tropical landscaping. Just minutes from the newly remodeled Rum Point, Solis restaurant, and Kaibo Yacht Club in Cayman Kai, Gypsy Kai is ready to impress.
