From the moment you arrive, you're welcomed into a serene indoor-outdoor courtyard complete with a koi pond and resident hickatee turtles—an enchanting garden oasis perfectly suited for peaceful morning meditations, softened by the gentle sound of flowing water. The main level unfolds beautifully with a spacious chef's kitchen and breakfast bar, a generous dining area, and a cozy sitting room featuring a spa-inspired indoor/outdoor shower in the adjacent bathroom. Movie nights and game days are equally at home in the fully equipped media room, while expansive track doors throughout the living spaces effortlessly open onto the courtyard and the breathtaking back deck—inviting the outdoors in at every turn. Up the modern, oversized floating staircase, you'll find three expansive bedrooms, each offering ample closet space. The primary suite is a private sanctuary of its own, flowing out to a large, fully screened patio—perfect for quiet reading, gentle breezes, or even a friendly game of table tennis. Out back, the property truly shines as an entertainer's dream. A large deck, outdoor kitchen, and deep, inviting swimming pool create the perfect setting for diving, dining, and dancing under the stars. Thoughtfully designed to celebrate Cayman's year-round warmth and tropical landscape, this home masterfully blends indoor luxury with outdoor living in perfect harmony. Adding even more value is the separate one-bedroom apartment, completely detached from the main house and located on the opposite side of the two-car garage. With its own parking and full independence, it's ideal for a caretaker, guest suite, or additional rental opportunity. With so many remarkable features and layers of charm, this is a property that truly must be experienced in person to be fully appreciated. Inna Di Bush is not just a home—it's a lifestyle, a sanctuary, and a rare North Side treasure.
