Adjacent living and dining areas flow seamlessly outdoors to a private oasis featuring a luxurious pool with hot tub and playful water jets alongside a handcrafted Cedar and Cypress wood Gazebo. The home's interior is equally impressive, offering a dedicated study, a serene primary suite highlighted by cedar ceiling detail, his and her walk in closets and a garment steamer discreetly tucked into her closet along with a convenient laundry chute. The children's rooms are beautifully appointed including bespoke pieces created by a Brazilian furniture designer which add an elevated yet playful touch. An automated retractable ladder provides access to the fully finished attic, currently serving as a bright and inviting playroom. An elegant en suite guest bedroom on the ground floor completes the home. Throughout the home variable speed air conditioning with individual thermostats ensures tailored comfort in every room while impact rated windows and exterior cameras contribute to peace of mind. The exterior features beautifully mature landscaping and a putting green, while just across the road a manicured garden with an impressive 100 foot dock creates a tranquil waterfront extension to the property.
