Business for Sale – Cayman Sea Salt & Cayman Cookie Company A rare opportunity to acquire one of the Cayman Islands' most recognizable locally crafted food brands. Cayman Sea Salt and the Cayman Cookie Company, established in 2005, have built a strong reputation for producing premium, locally inspired products that capture the authentic flavors of the Cayman Islands. For nearly two decades, the business has developed a loyal customer base among residents, visitors, retailers, and the hospitality sector, positioning itself as a distinctive Cayman-made brand with strong storytelling appeal. Its products celebrate the island's natural resources and culinary traditions, making them highly attractive to both the tourism market and local consumers seeking authentic, artisanal goods. At the heart of the brand is Cayman Sea Salt, a locally produced sea salt harvested from Cayman's pristine Caribbean waters. The product line includes specialty finishing salts and flavored varieties that have become popular with chefs, restaurants, gourmet retailers, and gift shops. Complementing this offering is the Cayman Cookie Company, known for its handcrafted cookies that reflect the island's tropical flavors and homemade quality.
