The top floor is dedicated entirely to the master suite, complete with a walk-in dressing room, private study, and spa-inspired bathroom with LED-lit soaking tub and glass-enclosed shower. Four additional guest bedrooms—each with an ensuite bath—are thoughtfully positioned for privacy, two of which open directly to the pool terrace. The chef’s kitchen is fully outfitted with Miele appliances, Sub-Zero refrigeration, and an integrated wine room. Multiple indoor and outdoor living areas take in long canal views, while a private media room, custom office, and Savant smart-home system offer modern convenience throughout. Outdoors, the villa features a 45-foot infinity-edge pool with a 30-foot glass wall, 16-person jacuzzi, fire pit, and full-length private dock define the canal-facing exterior. Landscaping by Vigoro creates a lush, serene backdrop, enhanced by fountains and carefully curated lighting. A vacuum elevator, 24KW rooftop solar array, rainwater cistern, German-engineered feature staircase, and full security system complete the home’s thoughtful amenities. As part of the Ritz-Carlton, Grand Cayman, residents enjoy privileged access to the resort’s dining, spa, tennis, golf, and water sports—plus a personal golf cart for seamless access to it all. Deckhouse 9 is a private villa that offers the best of both worlds: the comfort of a standalone residence with the ease and elegance of five-star resort living.
